Adriane P. Borgias, MSEM, CHMM

Education:

M.S. Environmental Management, University of San Francisco
B. S. Chemistry, University of California, Berkeley
Leadership Spokane, Class of 1999
Fulbright-Nehru Scholar, 2010-2011

Certification:

Certified Hazardous Materials Manager

Experience Summary:

As Founder of Fusion2e, Ms. Borgias has provided consultation services to international institutions, regional organizations, small to mid-sized businesses, Tribal communities, and neighborhood councils since 1998. Her recommendations are informed by 19 years of experience in the utility and natural gas industry, 7 years of tribal environmental management, and 10 years as an independent advisor. Former positions include; laboratory chemist, gas quality engineer, environmental compliance supervisor, water quality project coordinator, environmental program director, reference-text author, technical editor and curriculum developer. She continues to volunteer on a number of local and federal advisory boards and was awarded a 2010-2011 Fulbright-Nehru Scholarship.
